

Are you passionate about contributing to conservation and research projects? Do you have experience in the field?

Loro Parque Fundación is seeking a dedicated **Conservation Officer** to join our team.

Requirements:

- Academic background in conservation biology, zoology, ecology, or related fields.
- At least 2 years of experience in similar positions.
- Proven experience in managing conservation projects and initiatives.
- Fluent English is essential.
- Strong ability to work effectively within a multicultural team.
- Familiarity with IUCN tools and methodologies, such as the Red List or One Plan Approach, is highly desirable.

Key Responsibilities:

- Implementing the IUCN "Assess-Plan-Act" model to evaluate extinction risks, design conservation plans, and drive impactful actions.
- Engaging in assessment processes such as the Red List, Key Biodiversity Areas, and situation analyses.
- Collaborating with IUCN experts, government agencies, and NGOs to identify priorities and coordinate conservation efforts.
- Organizing multi-stakeholder workshops and training sessions focused on conservation and planning.
- Communicating outcomes and promoting conservation campaigns.
- Supporting other duties relevant to the role.
