

FIRST
INTERNATIONAL
SYMPOSIUM
ON PET BIRD
NUTRITION

Hannover, 3.- 4. October 1997

- A B S T R A C T S -

11.50 – 12.05	LANDES, E., P. WOLF, J. KAMPHUES (Hannover) Basic data of reproduction in different species of pet birds	31
12.05 – 12.20	SKINNER, N.D., E.J. TAYLOR, R. OBRA (Leicestershire, UK) Effect of ageing on selected nutritional parameters in companion birds	33
12.20 – 12.35	BARTECZKO, J. and L. GERMAN (Krakow, Polen) Relations between feeding and colour of feathers in Gouldian Finch and Barraband parakeet	35
12.35 – 13.45	<i>Lunch</i>	
13.45 – 14.00	KAMPHUES, J., P. WOLF, N. RABEHL (Hannover) Development of body composition in growing pet birds	37
14.00 – 14.15	RABEHL, N., P. WOLF, J. KAMPHUES (Hannover) Body composition of adult pet birds of different species	39
<u>Sektion 3: Feed science – nutritive value/ risks/ problems</u>		
14.15 – 14.40	STAUBER, E. (Washington, USA) Failures and successes in the nutrition of pet birds	42
14.40 – 15.05	KAMPHUES, J. P. WOLF, G. BAYER, M. WENTKER (Hannover) Basic data on the composition of seeds and feeds used in pet bird's nutrition	44
15.05 – 15.15	OBRA, R. and E.J. Taylor (Leicestershire, UK) The proximate nutrient, gross energy and mineral composition of seeds commonly fed to small psittacines and passerines	46
15.15 – 15.35	ANKE, M., M. GLEI, W. ARNOLD, S. HOLZINGER, M. JARITZ, M. SEIFERT, E. LÖSCH, E. SCHOLZ, E. HARTMANN, A. TRÜP-SCHUCH, S. ANKE, O. SEEBER, T. RIEKE-HOLSTEIN (Jena) Macro element, trace element and ultra trace element supply of pet birds	48
15.35 – 15.50	HEISLER, K. J. SEEHAWER, H.-P. SALLMANN (Hannover/Grenzbach) Vitamin contents in seeds, supplements and diets for pet birds	50
15.50 – 16.20	<i>Break</i>	
16.20 – 16.35	HESS, L., G. MAULDIN, K. ROSEMTHAL (New York, USA) Nutrient content of commonly fed companion birds diets	52
16.35 – 16.50	HAWLEY, B. (Chilton, USA) Nutritional comparison of diets fed to pet birds	54

16.50 – 17.00	SCHINZ, U. (Hamburg) Demands on a species- and requirement-specific nutrition of psittacines	56
17.00 – 17.15	WOLF, P., S. GRAUBOHM, J. KAMPHUES (Hannover) Chemical composition and digestibility of formulated diets for pet birds	58
17.15 – 17.25	DREYER, S. (Wachenheim) Nutrition of insectivorous birds: various non-insect feedstuffs as substitutes for alive or dried insects	60
17.25 – 17.40	HAWLEY, B. (Chilton, USA) Extrusion based formulated diet for nectivorous birds	62
17.40 – 17.55	ARNOLD, W. (Jena) Influence of tannines containing juice of tamarinde and of calcium on iron supply in mynahs	64
17.55 – 18.15	STEINIGEWEG, W. (Lehrte) Procedure of rearing in songbirds	66
20.00	<i>get together</i>	

Saturday, den 04.10.1997

Section 4: Feed and water intake of pet birds

- 8.15 – 8.35 **KAMPHUES, J. and P. WOLF (Hannover)** **68**
Ingesting behaviour and dry matter intake in different species of pet birds
- 8.35 – 8.50 **SINGH, P.P. (Punjab, India)** **70**
Feed preference behaviour of rose-ringed parakeet, *Psittacula krameri*, in captivity
- 8.50 – 9.00 **SINOVEC, Z. and D.S. ŠEFER (Belgrad, YU)** **72**
Intake of feed, protein and energy in adult canaries
- 9.00 – 9.15 **WOLF, P. and J. KAMPHUES (Hannover)** **74**
Water intake of pet birds – basic data and influencing factors

Section 5: Energy and nutrient requirements of pet birds

- 9.15 – 9.30 **HAWLEY, B. (Chilton, USA)** **76**
Retrospective study of weight gain and feed intake on a commercially available handfeeding diet
- 9.30 – 9.45 **CLUBB, S.L. and M. Massie (Loxahatchee, USA)** **78**
Juvenile development of psittacine species in response to various handrearing dietary formulations and feeding techniques
- 9.45 – 10.00 **KAMPHUES, J., P. WOLF, N. RABEHL (Hannover)** **80**
Energy and nutrient requirements of growing canaries, budgerigars and lovebirds
- 10.00 – 10.15 **WOLF, P., J. KAMPHUES, W. OTTE, M. WENTKER (Hannover)** **82**
Energy and protein requirements of adult pet birds

10.15 – 10.45 *Break*

Section 6: Practice of feeding pet birds

- 10.45 – 11.00 **DREYER, S. (Wachenheim)** **84**
A critical review on activities and problems of German avian feed producers
- 11.00 – 11.05 **MERKL, A. (Nürnberg)** **86**
Ingredients for specific nutrient supply in companion birds
- 11.05 – 11.20 **RABEHL, N., P. WOLF, J. KAMPHUES, M. PANNEVIS (Hannover/Vreden)** **88**
Investigations on the chemical composition of commercial supplements for pet birds with special regard to “moulting additives” for canaries)
- 11.20 – 11.35 **WERQUIN, G. (Deinze, Belgium)** **90**
Common problems in handfed baby parrots and influence of the handfeeding formula on their occurrence

11.35 – 11.50	CLUBB, D.L. and J. Muscanera (Loxahatchee, Florida) Development and feed conversion in juvenile hyacinth macaws (<i>Anodorhynchus hyacinthinus</i>) utilizing various handrearing formulations	92
11.50 – 12.00	SEIDEL, K.B. (Berlin) Nutrition-related problems in hand-raising young zoo birds	94
12.00 – 12.10	BESSON, H. (Bourgoin-Jallieu, France) Nutrition of African Grey Parrot's	96
12.10 – 12.25	GHYSELS, P. (Deinze, Belgium) Transferring birds to pellet feeding: successful methods for different species	98
12.25 – 13.30 <i>Lunch</i>		
13.30 – 13.45	COENEN, M., P. WOLF, J. KAMPHUES (Hannover) Chemical composition and intake of germinated seeds	100
13.45 – 13.55	WEDEL, A. (Berlin) Germinated seeds as dietetic feed of budgerigars	102
13.55 – 14.10	SIESENOP, U., K.-H. BÖHM, P. WOLF (Hannover) Investigation on microbial status of germinated seeds	104
<u>Section 7: Malnutrition/health problems/ diagnostics/therapy</u>		
14.10 – 14.30	HARRISON, G.J. (Lake Worth, USA) Diagnosing and treating malnutrition in psittacine birds	106
14.30 – 14.45	HOCHLEITHNER, M. and C. HOCHLEITHNER (Strebersdorf, Austria) A critical view of plasma chemistry in psittacines	108
14.45 – 15.00	LOHR, J.E. (Aulendorf) Causes of mortality in pet and aviary birds with particular reference to feed intoxications	110
15.00 – 15.15	GRIESS, D. (Toulouse, France) Diagnosis of acute poisoning by common elder in parrots	112
15.15 – 15.30	VAN SANT, F. (Los Gatos, USA) Zinc intoxication in parrots	114
15.30 – 15.45	WOLF, P., W.A. RAMBECK, J. KAMPHUES (Hannover/ München) Investigations on lead- and cadmium-loads of feeds and diets for pet birds	116
15.45 – 16.15 <i>Break</i>		

16.15 – 16.30	KAMPHUES, J., W. OTTE, P. WOLF (Hannover) Effects of increasing protein intake on various parameters of nitrogen metabolism in grey parrots	118
16.30 – 16.45	SCHOENMAKER, N.J., J.T. LUMEIJ, A.C. BEYNEN (Utrecht, NL) Polyuria and polydipsia due to vitamin and mineral oversupplementation of the diet of a salmon crested cockatoo (<i>Cacatua moluccensis</i>) and a blue and gold macaw (<i>Ara ararauna</i>)	120
16.45 – 17.00	WOLF, P., J. KAMPHUES, N. KUMMERFELD, J. BRINKMEIER (Hannover) Effects of mineral deficiencies during reproduction and growth of pet birds	122
17.00 – 17.15	KUMMERFELD, N. (Hannover) Side findings in radiographs of birds concerning nutrition disorders	124
17.15 – 17.30	FILIPPICH, L.J. (Brisbane, Austria) Megabacteria and “Going-light” syndrome in birds	126
17.30 – 17.45	WITTSTATT, U. (Berlin) Pathology of the so-called iron storage disease in starlings	128
17.45 – 18.00	GERLACH, H., F. ENDERS, M. CASARES (München/ Puerto de la Cruz, Spain) Further examinations on the increased iron content in the liver of some parrot species	130
18.00 – 18.15	HAWLEY, B. (Chilton, USA) Nutrition as a therapeutic component of pet bird diseases	132
18.15	<i>Closing remarks</i> KAMPHUES, J. (Hannover)
